Note from the Principal:

September is "Everyone is Welcome Here" month and also S.T.A.R. month (Safe, Tidy, Achiever, Respectful) We have begun the 2021-2022 school year with safety COVID protocols in place. Those protocols will be re-evaluated after the first 6-weeks of school. At this time we are limiting the visitors in the building and focusing on Masks, Distance, & Washing hands.

A special thank you to the PTC for providing lunch to the staff on the first day. The lunch was prepared by a new partner in education for us, The Village Butcher.

Beginning of the year benchmarking for all students in K-5 will begin in the next two weeks. This information will assist teachers with lesson planning and intervention.

Suncrest Elementary is moving toward a School Cash Online payment method for paying for school items. Please registering for this service. It is an app that you put on your phone or another device. If you have issues registering, there is a 24 hour help desk that is available - 1-866-961-1803 or an e-mail link on the registration process.

You need to have the REMIND app on your phone-both the classroom group and the whole school group

The school website has the Parent/ Student Handbook, the supplemental COVID-19 protocols, the master schedule and the Year-long Spirt Days schedule posted.
